

# Summer Piano Camp

Cultivating an appreciation of music in our children is so important. Playing a musical instrument can enhance and develop math skills, language, coordination, social skills and improvements in spatial-temporal reasoning. Music is one of the greatest gifts we can give to our children and summer is the perfect time of year to nurture a love of music and provide kids with a fun and educational musical experience with Piano Pathways Summer Camp.

The Piano Camp is a week-long performance intensive program for young pianists, ages 6-16

Daily Activities (9am to 2pm):

Private lesson (every day)

Group session in a master-class setting

Music Composers History

Literature / Sight-reading / Theory classes

Practice time

All participants will perform in a final recital at the end of the week.
